## Tour suggestions

### → **Großer Donnerkogel 2,055 m** route no. 611/628

Duration: approx. 2-3 hours, difficulty: difficult  
From the mountain station of the Gosaukammbahn cable car, hike along the wide hiking trail to the 'Gablonzer Hütte' and 'Breininghütte' and then turn left onto hiking trail no. 611 (Austriaweg). Past lush alpine meadows, hike up to the 'Oberer Törleck' at the foot of the 'Kleiner Donnerkogel'. After a few minutes you will get to a fork in the path. The right path is the 'Austriaweg' to the 'Stuhlm', here you turn off left onto the steep and partially exposed summit trail no. 628. The trail first passes green elders and mountain pines, then leads across rock slabs, boulders, steep rocky steps and through a short canyon towards the summit. The upper section leads through terrain interspersed with grass and makes for comfortable walking once more. On the summit, you will be rewarded with 360 degree panoramic views of the Dachstein, Gosaukamm, Bischofsmütze and the wonderful sight of Lake Gosausee down below. Descend along the same route.

### → **Zwieselalm circular route**

Duration: approx. 2 hours, difficulty: easy/intermediate  
From the mountain station of the Gosaukammbahn cable car, a well signposted hiking trail with easy climbs leads past 'Gablonzer Hütte' and 'Breininghütte' (10 minutes) to the 'Sonnenalm' (20 minutes), and onto the 'Zwieselalmhöhe' (30 minutes). Here a visit to the new viewpoint 'Gosaunet Platzl', from where you can enjoy fantastic 360 degree panoramic views of the Dachstein, Gosaukamm and all the way into Salzburger Land is in order. Then a leisurely hike will take you further on to the 'Zwieselalmhütte' (40 minutes) and the 'Herrenweg' (Trail no. 611) back to the upper terminus of the Gosaukamm cable car.

### → **Route from the Gosaukammbahn cable car mountain station to the Donnerkogelbahn cable car mountain station**

Duration: approx. 1.5 hours, difficulty: easy/intermediate  
From the mountain station of the Gosaukammbahn cable car, a well signposted hiking trail with easy climbs leads past the 'Gablonzer Hütte' and 'Breininghütte' (10 minutes), to the 'Sonnenalm' (20 minutes), to the 'Zwieselalmhöhe' (30 minutes), to the Zwieselalmhütte (40 minutes) and onto the crossing road Herrenweg - Russbach - Annaberg. From here, turn off left past 'Rottenhofhütte' (60 minutes) towards Annaberg (mountain station Donnerkogelbahn).

### **IMPORTANT TIP FOR YOUR SAFETY IN THE MOUNTAINS:**

Please ensure you have the right equipment on every tour! This is an Alpine area and you should only tackle longer walks if you have the right equipment with you. Always bring waterproofs, a mobile phone, robust footwear and a small emergency snack!

## Panorama Gosau Zwieselalm

## Easily up to the mountains

The Gosaukammbahn cable car offers hikers, sports fans and walkers new Alpine opportunities to explore the Salzkammergut region at its best.

The cable car runs from the Gosausee lake towards the bizarre craggy peak of the Gosaukamm ridge and transports you into a world of inviting Alpine huts and varied hiking routes. Expert mountain enthusiasts and leisure walkers alike will find something to suit them or you can simply enjoy some extra time in a mountain hut. Some beautiful and unforgettable routes await, where you can spend 2 to 3 hours or even several days in this dreamy mountain world.
